

THE WHITE HOUSE
WASHINGTON

President's
Foreign Intelligence
Advisory Board

September 23, 1988

Dear Bill:

Thank you sharing such a large portion of your schedule to meet with Leo and me as well as with the entire Board. It was an especially generous thing to do, and the Board benefited enormously from your candor about some of our mutual concerns. Your presence was the highlight of the meeting. The members were impressed by the breadth and depth of your knowledge.

Please be assured that we will continue to lend our assistance on the pressing matter of embassy security. We have sent our letter to the President with copies to both you and George. I hope we can get some more action on this soon.

The Board also enjoyed hearing from Fritz Ermarth, Doug George, and Larry Gershwin. All three are superb.

I look forward to our close consultations and work together over the next several months. Let's plan on Leo and I getting together with you sometime next month. Your hospitality gets A plus.

Thank you again.

With warm personal regards,

Anne L. Armstrong
